

## Rent & Utility Application Instructions

Issaquah Community Services (ICS) funds are available to qualified individuals and families who are living within the Issaquah School District and in need of emergency financial assistance for rent or utilities.

ICS funding levels limit how often and how much we can help a client. If you were recently helped by ICS with the City of Issaquah COVID-19 funds, contact our office to check your eligibility.

ICS does not provide financial assistance over the phone or the internet.

ICS will evaluate all applications and release funds to landlords or utility companies based on the severity of need. In Washington state, evictions and late fees are prohibited through **December 31, 2020**. Please be aware it may be up to a week before we notify you of our decision on your application.
